

The City of Torrance invites applications for **COMMUNICATIONS SUPERVISOR TELECOMMUNICATIONS - REISSUE**

\$37.17—\$45.17 per hour

Our Communications and Information Technology (CIT) Department is recruiting for a key team member to supervise the day to day operations of the City's telecommunications system. Under the direction of the Communications Manager, the Communications Supervisor-Telecommunications' primary function is to supervise personnel involved in the operation, installation, & maintenance activities of the telecommunications system and develop short and long-range plans for the City's telecommunications system.

The CIT Department is seeking a seasoned professional with a background in conducting hands-on and theory training for technicians to ensure all Telecommunications staff have the most up-to-date information in the field. In addition, the most successful incumbent will have previous supervisory and/or lead experience, preferably at a government agency, supplemented by direct supporting public safety telephone systems.

If this opportunity sounds like it matches your experience and interests, apply with the City of Torrance today!

QUALIFICATIONS

Minimum Requirements:

Any combination of education and experience that provides the required knowledge and skills is qualifying. A typical way of obtaining the necessary knowledge and abilities is:

- Graduation from college or university with a Bachelor's degree in computer science or a related field;
- Two (2) years of recent telecommunications experience in one or more of the following: administration of telecommunications maintenance and repair services; planning, installation, improvement, and expansion of telecommunications service; ordering analog and digital telecommunications services and basic contract administration; or an equivalent combination of education, training, and experience such as six years of recent experience in the areas listed; and
- Must possess and maintain a valid California class C driver license.

Ideal Candidate:

*In addition to the minimum requirements the **ideal** candidate will have:*

- Previous experience at the level of a supervisor or lead;
- Experience supporting PBX and voicemail systems comprised of 10 or more locations with 1000 or more users;
- Experience conducting hands-on and theory training for technicians;
- Experience supporting a recent NEC telephone and AVST voicemail system, such as the NEC SV8500 and NEC SV8300;
- Budget management experience;
- Experience supporting public safety telephone systems including 9-1-1, call taker positions, and ringdown lines;
- Experience with telecommunications systems for a government agency.

SPECIAL NOTES

As a condition of employment, candidates must pass a background check and a pre-employment medical examination.

The provisions of this announcement do not constitute an expressed or implied contract and any provisions contained in this announcement may be modified or revoked without notice.
